

MIOSHA Fundamentals of Safety & Health

1 Who Should Attend . . .

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work
- ▶ Business owners who want to learn about compliance with MIOSHA

2 Why You Need This Seminar . . .

- ▶ To reduce disabling injuries and illnesses to employees - and to ensure that every worker goes home safe and healthy every day.
- ▶ To reduce the high direct costs of work-related injuries, which grew to \$42.5 billion nationally in 2000, and indirect costs, which were estimated at an additional \$127 - \$212 billion in 2002. (*2003 Liberty Mutual Safety Index.*)
- ▶ To enhance your company's bottom line. A strong safety and health commitment not only protects workers, it also reduces worker's compensation costs, improves employee morale, and increases production and quality.

3 What You'll Learn . . .

Many employers are faced with the need to appoint an employee to manage their safety and health system who may not be fully prepared for the challenge. This fundamentals course offers in **three days** the basics of creating a safety and health management system as well as providing an introduction to the MIOSHA Act and standards. A **half-day** is devoted to industrial hygiene to assist employers in uncovering and addressing the unseen health hazards in the workplace.
